Don has been with the Amerks since 1986 and this is his 26th year with the team.

As a side note, Don has golfed with the Amerks Cystic Fibrosis Golf fundraisers at Shadow Lake.

Tickets sales for season tickets are up over 60% since Terry Pegula became owner.

Terry Pegula recreated connection with the Sabres and Amerks and created a true family feeling.

Don recounted the history of ownership and their decisions for the team since 1986 and feels today better than ever. There is a very positive feeling through out the entire team and there is great room to grow and get better.
