

PARTNER WITH YOUR MEMBERSHIP COMMITTEE: PLUS 1 THIS YEAR!

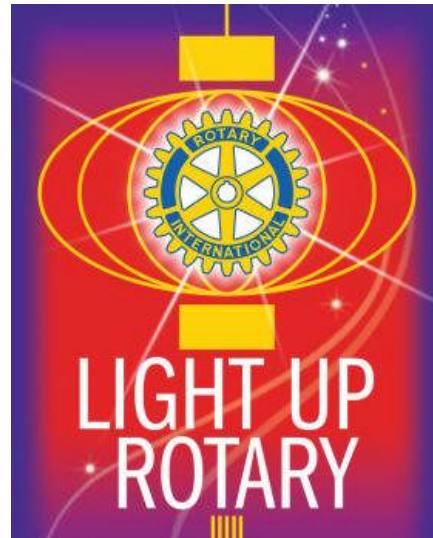

Penfield Rotarians are the best source of qualified new members--bringing their business colleagues and friends into the club each year. Through a similar campaign in 2014-15, Rochester Rotary inducted more than 35 new members!

Penfield Rotary needs your help to achieve our goal for this year. Do you have a business associate or a friend who might benefit from Penfield Rotary through excellent speakers at our Tuesday Noon Lunch Meeting, business networking meeting with other business leaders or service opportunities such as those at Penfield High and the Annual Bicycle Pick-up?

Your Membership Committee is undertaking a special campaign for new members-PLUS ONE! We are asking each member to identify and engage one new member! Bring your potential new member to a luncheon or to an upcoming event.

Whom could you invite from these areas:

- Advertising & Public Relations
- Architecture & Engineering
- Business Owners
- Clergy, Religious
- Commercial Sales
- Computers, Data Processing
- Corporate Executives
- Entertainment & Sports
- Hotel/Travel
- Human Resources
- Insurance: Property/Casualty
- Military

- Other

"PLUS ONE!" That's the Membership Committee's and Penfield Rotary's mission this year! With one new member referral you can make a real difference!
