Subject: Pen Wheel 7/1/14: Recruiting, retaining new members

Dear Penfield Rotarians:

Below is *The Penwheel* for July 1. It has also been posted on the Penfield Rotary Facebook page along with a photo of Penfield Rotarian Michael Donnelly and his guest from Marcos Island, Jack Patterson. Please visit www.Facebook.com/PenfieldRotary and “like” the page. Any news or other items that are added to the Penfield Rotary Facebook page will automatically be downloaded to your page so that you can keep up with activities, projects and programs in which the club is involved. Our active presence in Facebook and on the website will attract younger prospective members. That’s how visitor Todd Mazzo learned about Penfield Rotary and decided to visit today.
